

Wire 3 Announces Equity Financing from Guggenheim Investments

Equity financing to fuel Fiber-to-the-Home (FTTH) expansion in Florida markets including Volusia and Brevard Counties

DAYTONA BEACH, Florida, December 7, 2021 -- Wire 3 Holdings, Inc., an all-fiber, Gigabit Internet service provider, announced today that it has received a significant equity investment on behalf of certain clients of Guggenheim Investments, the global asset management and investment advisory division of Guggenheim Partners with more than \$259 billion* in total assets across fixed income, equity, and alternative strategies. The financial commitment from Guggenheim will enable Wire 3 to accelerate its rollout of symmetrical, direct-to-home fiber optic network throughout Florida's Volusia and Brevard counties in 2022.

"We're excited to partner with Guggenheim and work together toward our vision of bringing fast and secure fiber optic internet service to the residents of Volusia and Brevard counties, providing residents the opportunity to choose next generation fiber optic Internet service," said Jai Ramachandran, Chief Executive Officer of Wire 3.

All of Wire 3's customers will receive Wi-Fi equipment, no bandwidth caps, no contracts, and simplified pricing as part of the standard offering.

"We're striving to not only deliver state-of-the-art technology, but to take a holistic view of internet service to simplify and streamline the overall experience for our customers," said Jason Schreiber, Chief Technology Officer of Wire 3.

Wire 3 service will become available in identified areas starting in 2022. Potential customers can find additional information and check for availability by registering their address at www.wire3.com/availability.

Bank Street Group LLC served as financial advisor and Woods Oviatt Gilman LLP served as legal advisor to Wire 3 in connection with the transaction.
